The equality impact assessment has been conducted by the relevant Governors' sub-committee and focused on race, gender, disability, age, sexual orientation, gender identity and religion/belief. Community Cohesion has also formed part of the impact assessment work in order to ensure respect for diversity, alongside a commitment to common and shared bonds.*

### **EqIA outcomes**

- The assessment found no areas of potential negative impact and actions resulting in positive impact are in place.*

## Lettings Policy

**PRINCIPLES:** The Governing Body regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its students, and any lettings of the premises to outside organisations will be considered with this in mind. The school's delegated budget (which is provided for the education of its pupils) cannot be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be re-imbursed to the school's budget.

### **PURPOSES:**

- To provide clear guidance on lettings and the hire of school premises and equipment
- To enable community and lifelong learning access to the school site and premises
- To promote the use of School facilities by the wider community
- To safeguard the interests of St Andrew's Primary School
- To ensure that the out of hours use of the school site is not subsidised by the school budget

### **GUIDELINES:**

#### **Definition of a Letting:**

A letting may be defined as *“any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), an individual or group of individuals, or a commercial organisation (such as the local branch of ‘Weight Watchers’)”*. A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its students. Use of the premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of students supervised by School staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget.

<b>Charges for a Letting:</b>	<b>Session rate per hour</b>	<b>Session rate per day</b>
External clubs/Holiday clubs – Hall and field	£15	£25
Private functions – hall and field	£15	£25
Caretaking costs	£5	£10

The Governing Body is responsible for setting charges for the letting of the school premises. A charge will be levied which covers the following:

- Cost of services (heating and lighting);
- Cost of staffing (additional security, caretaking and cleaning)- including “oncosts”
- Cost of administration
- Cost of “wear and tear”
- Cost of use of school equipment (if applicable)
- Profit element (if appropriate).

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved.

The specific charge levied will be reviewed annually, during the Spring Term, by the Finance Committee, for implementation from the beginning of the next financial year, with effect from 1st September of that year. Current charges will be provided in advance of any letting being agreed.

- Weekend and holiday lettings will only be considered subject to the availability of the caretaker. No overnight lettings will be available.
- Letting fees are charged to the nearest hour or half hour.
- If an organisation requests the use of multiple facilities, a discount may be awarded at the discretion of the school finance administrator. The finance administrator can also discuss the use of other areas of the school; for example, the classrooms.

**VAT:** In general, the letting of rooms for activities which benefit the school or the greater community are exempt of VAT, whereas lettings which do not benefit the school or the greater community are subject to VAT (although there are exemptions under certain circumstances).

**Management and Administration of Lettings:** The Headteacher is responsible overall for the management of lettings, in accordance with the Governing Body’s policy. The Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process. Community Lettings will take place at the discretion of the Headteacher. If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, they will consult with the Chair of the Finance Committee, who is empowered to determine the issue on behalf of the Governing Body.

**Collection of Payment:** Weekly lettings will be billed weekly, half-termly or termly as agreed between the hirer and governors and payment expected within 30 days of receipt of the invoice. For one-off lettings, payment in full to be paid on receipt of the Governors’ formal agreement.

**The Administrative Process:** Organisations seeking to hire the school premises should approach the school, who will identify their requirements and clarify the facilities available. An initial enquiry regarding availability should be made with the Office Manager and if these dates are available then a **Lettings Application Form** (a copy of which is attached to this policy) should be obtained and completed at this stage. Hirers will also be issued with a copy of the terms and conditions.

The Governing Body has the right to refuse an application, and **no letting should be regarded as “booked” until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.**

Once the completed forms have been received by the school and signed by the Headteacher, a copy of the ***Lettings Application Form*** will be returned to the hirer as confirmation, setting out full details of the letting. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body’s current scale of charges.

The hirer should be a named individual, and the agreement should be in their name, giving their permanent private address.

All lettings fees which are received by the school will be paid into the school’s bank account, in order to offset the costs of services, staffing etc (which are funded from the school’s delegated budget). Income and expenditure associated with lettings will be regularly monitored to ensure that at least a “break even” situation is being achieved.

**Public Liability and Accidental Damage Insurance:** The hirer confirms that they hold an insurance policy with a minimum of £5m Public liability & will be required to produce the relevant insurance document for inspection.
