HOME LEARNING POLICY

Preface: Christian Ethos

A core Christian belief is the importance that God places upon the care, the growth, and development of children. In Mark 10:13-16 *And they were bringing children to him so that he might touch them, and the disciples rebuked them. But when Jesus saw it, he was indignant and said to them, "Let the children come to me; do not hinder them, for to such belongs the kingdom of God. Truly, I say to you, whoever does not receive the kingdom of God like a child shall not enter it." And he took them in his arms and blessed them, laying his hands on them.*

The Bible verse the school has adopted says "Train up a child in the way he should go, and when he is old he will not depart from it" Proverbs 22:6.

We recognise that to fulfil this core belief, and to enable our children to flourish, we need to encourage our children to continue to learn at home, to give them the best opportunity to grow in their skills and understanding, give them the opportunity to share their learning with parents/carers, and prepare them to progress through each stage of schooling.

The aims of home learning are:

- To practise, revise, reinforce and consolidate skills, concepts and knowledge previously learnt in school.
- To connect learning in school to the real world.
- To provide a valuable opportunity for pupils to share their learning with parents/carers.
- To prepare pupils as they transfer from Key Stage 1 to Key Stage 2 to Secondary School.
