Parking

Please be mindful of the environment and of others breathing in car fumes when coming to pick your children up and switch your car engines off whilst waiting.

Thank you for your anticipated support in this matter.

World Book Day

On Wednesday 6th March at 2:30pm all parents/carers are invited into school to come and share a book with their child.

On Friday 8th March we having a dress up day to celebrate World Book Day (please note World Book Day is Thursday 7th March). Choose a favourite book character to dress up as and come in with the book your character is in, to share with the rest of the class.

Poetry

Congratulations to the following children from year 3 / 4 who have been chosen to enter the 'Spirited Poetry Competition 2019'. You can see their wonderful poems in our entrance hall entitled 'When I pray?'

Just a reminder.....

We are a nut free school and as some of our children have a nut allergy, no food items containing nuts are allowed in school or to be taken on a school trip.

PE kits

Your child needs their full named PE kit in school all week whatever day they have PE. During the last term there have been numerous children without their PE kit or without all the items needed for a PE session.

NSPCC

Due to a very busy half term we were unable to hold the NSPCC sponsored event. This will now be happening some time later in the year.

Comic Relief

The date this is Friday 15th March. More details to follow

Request from Mrs Reeves

If you have any spare fabric that can be used for the infant role play area (any colour, size etc), we would be grateful if you bring it in after half term

St Andrew's School PTFA

The PTFA are currently organising two exciting events – please see the attached flyers. Please try & support them as much as you can, as they continue to raise vital funds that mean your children can enjoy more trips, books, play equipment etc in school. As a school we are extremely grateful for the fundraising that all the PTFA are involved in but we must especially thank Mrs Brice who has now stepped down from the committee as Chair. Mrs Morgan has also been hugely involved in the new playground and markings recently & we are excited to be able to make full use of these.

The PTFA are looking for new members – the tasks are not onerous when spread between more people. Please speak to a committee member or ask in school if you are able to help in any way, however small.

Thank you for your support

Teacher contact

Your child's class teacher is the best person in school to discuss any concerns you might have, as they are the adult who knows your child the best.

Parents' evening in on Tuesday 2nd April and Wednesday 3rd April. However, teachers are available to discuss any concerns you might have at the end of the day or phone to make an appointment.
