

Year 3 / 4 Class Newsletter - Term 4

Dear Parents,

I hope you had a relaxing half term and are ready for another busy term. We have lots to look forward to with the build-up to Easter this term.

Our Topic this term will continue to be "Mighty Egyptians" however we will be focusing on the legacy of the Ancient Egyptians and their culture. The children have really enjoyed this topic so far and I was extremely impressed with their efforts during our Egyptian day. In English, we will start the term writing an explanation of how the ancient Egyptians used mummification. In Maths this term we will start fractions before we move on to decimals later on in the term. I have also attached a Topic Web that explains the other exciting things we will be learning about this term.

P.E

Just a reminder that P.E kits must be in all week. We will be having P.E on a Wednesday afternoon and on a Thursday afternoon (Future Stars Coaches). Please make sure all uniform is labelled so it doesn't go missing.

Reading

Please make sure that you are reading with your child every day and are writing it in their Reading Diaries. Every Friday the children have the opportunity to hand in their Reading Diary to move up on the "Race to the Sun" but not everyone is handing it in. So, can you please remind the children to hand in their Spelling book and Reading diary every Friday.

Home Learning

Not everyone completed at least two pieces of homework last term therefore I am going to keep the tasks the same for Term 4. If you had completed two from last term then you can choose another two. Please bring it in when you have finished so we can share your home learning with the class.

Spellings are on the website. If your child forgets their spelling book on a Friday then you will be able to find them on there.

Finally, timetables. Please make sure you are practising with your child when you can. Chanting, playing games or even online it all helps.

Please don't hesitate to make an appointment to see me if you have any issues you would like to discuss.

Best wishes,

Mr Manning and the Year 3/4 team
