12th June 2020

Dear Parents/Carers and Pupils,

Hope you have all had a good week being active in the outdoors and accessing the Home Learning activities provided by your teachers.

As the Government announced this week other year groups, unfortunately are not being invited back into school before September. As a small school we have limited space and in order to separate our tables 2 metres apart, we cannot physically fit in any more children. It was a real pleasure to welcome Reception/Year 1 and Year 6 back this week and it has highlighted just how much we are missing you all. We look forward to September when you will all be able to return in some capacity.

Due to you missing even more school it is really important that you complete some of the learning activities provided. It is vital to keep reading! Read by yourself, read to a younger sibling and most importantly read to an adult.

We love to hear about your successes!

Well done to Bella and Olive for completing their Lockdown Marathon.

Please keep in touch by emailing your teachers the learning you have completed. Also share with them all the exciting things you have been doing.

Take care.

With very best wishes

Helen Green
