10th July 2020

Dear Parents/Carers and Pupils,

This week has been a busy one in school where Year 6 have been practising their end of year Leavers Service and where we welcomed in next year's Reception children for a transition visit. Our new pupils were socially distanced with their parents while actively engaging in practical activities organised by Mrs. Skipp.

It won't be long before we get the whole school back together. Please see below arrangements for September. Next week, however, I will provide a more detailed update on our return to school. These details will be provided as a hard copy inside your child's report.

School reports

On Monday 13th July teachers will be available to hand over your child's school report from 2pm-3pm on the school field. If your child is already back in school their report will be sent home with them on Tuesday. If your child/children have not already returned to school and you are unable to come and collect on Monday please inform us via the school office. **If we don't hear from you we will expect to see you on Monday between 2-3pm.**

Please enter the school field through the field gate. As people are entering and leaving please still be aware of social distancing.

September return to school

The academic year starts on Tuesday 1st September. The first **two days** will be INSET days. Pupils will return on Thursday 3rd September.

When your child returns on Thursday 3rd September they will be with their current year teacher. They will enjoy a whole day with that teacher. On Friday 4th September they will have a "Move Up" morning and will be with their new class (in some cases YR3/YR5 will be with their new teacher). Friday afternoon they will return to their current teacher to have a fun afternoon celebrating a return to school and the end of the academic year.

On Monday 7th September they will be in their new class.

On our return in September we have to ensure that pupils have minimal mixing.

- Reception/YR1/YR2 will be classed as a Bubble; YR3/4 will be one Bubble and YR5/6 will be one Bubble.
- The children will play in this Bubble and will not be able to mix with other Bubbles.
- Each Bubble will have a zoned area to play in. The Bubbles will rotate around the zones throughout the week.
- Lunch will be eaten in their classrooms with there being a limited lunchtime menu.
- There will be no Collective Worship.
- Children will have to wear their PE kit to school on the days they have PE. No changing of uniform allowed.
- PE days will be Thursday and Friday for the whole school.
- Children will be washing and sanitising their hands frequently throughout the day.
- Parents will not be allowed into the school playground.
- There will be a staggered start and finish time.
- Please refer to the video on our school learning platform on how to arrive and enter school.
- Breakfast club and After School club will be provided. However children will have to play either in their family groups or their class Bubble groups. More details to follow on how these clubs will be organised/run.

I wish you a lovely weekend!

Take Care!

Helen Green
