11th September 2020

Dear Parents/Carers and Pupils,

We have had a good week with the staggered start times and finishing times now working efficiently. I appreciate you all being punctual with your given times as this allows for a steady flow of children with no congregation at the school gate. Please ensure you move up to the smiley face so we can see you. You might be able to see into the playground but we can't see around the corner.

As from this September I have changed my day off/working from home day to Wednesday. Mrs. Spiers is in charge on that day

Please see below a few reminders that all need to adhere to:

- Thursday and Friday everyone to wear their PE kit to school ready for physical activity sometime in the day.
- Wellies to be brought into school if they haven't already.
- **Absolutely nothing to be brought into school from home. Your child only needs to bring in one bag that contains a packed lunch (if having one) and a water bottle/bottles.** No pencil cases, felt tip pens, key rings, hand sanitiser to be brought into school. Please support us in this, as it helps with controlling contamination.
- If you require Breakfast/After School Club please contact Caroline in the school office giving at least one week's notice.

Please also see in this email a letter from Chris Sivers (Director of Children, Adults and Health) regarding September return and Covid 19 information for Parents and Carers.

Have a good weekend.

Best wishes

Helen Green
