2<sup>nd</sup> October 2020

Dear Parents/Carers and Pupils,

### **Coats/Wellies**

As the weather has taken a sudden turn for the worse can you please ensure your child has a coat and wellies in school. It is our intention to get the children out for playtime fresh air as much as possible, and so sometimes will be outside when it is cold and wet.

### **Caretaker**

As from today Graham Howell our school caretaker/cleaner will be terminating his position here at St. Andrew's. I thank Graham for all his hard work keeping our school clean over the last 2 ½ years and for maintaining our school buildings.

Thankfully Graham has agreed to complete any small maintenance jobs as they crop up so he won't be disappearing totally!

### **Breakfast and After School Club**

Please ensure you pay for your child's place at both these clubs in advance. Any non-payment could result in there being no place for child should numbers increase.  
**Pre-paid places will have priority.**

### **Monies**

Can you please ensure that all payments for school dinners, breakfast club & after school club are received at the start of the week. All payments should preferably be made via the online system.

### **Christmas Cards**

Your child is bringing their Christmas card artwork home today. Please could you take a look & if you would like to purchase any items, please do so from the website detailed on the form and then return the artwork to school by **Friday 9<sup>th</sup> October**.

## **PE kit**

Wearing PE kit to school on a Thursday and Friday is working really well and I thank you for your support in this.

The majority of our children are wearing the correct PE kit.

Please ensure your child is wearing:

Black shorts/leggings/joggers; a plain white t-shirt or blue t-shirt with or without the school logo; a black plain sweat top or school sweat top or school fleece; daps or trainers (trainers are preferable as PE activities will be outdoors).

## **Questionnaire**

*Children in years YR3-6 are taking part in a survey to help support the recovery curriculum as all pupils return to full time education post Coronavirus. It will provide an opportunity for pupils to voice their opinions on some health and wellbeing themes. Our school will get feedback on our pupils' survey data and this will help us to monitor the wellbeing of our pupils over time. The survey does not ask for any identifiable information such as name, date of birth or address and will run this term.*

Best wishes

Helen Green
