Dear Parents/Carers,

The book fair is currently in school, thank you to those of you who have made telephone purchases. As soon as we receive the books we will give them directly to you, not the children. This week each class has had the opportunity to visit the book fair to look at the books. Each child has selected a favourite fiction and non-fiction book which we have recorded on a 'wish list'. Staff have been very careful to ensure that the children are not selecting books to receive them, but to just select 2 they would like to read.

However, if you would like to have a copy of the wish list for your child and make a purchase of one or both of the books over the telephone, please contact the office where we will be able to give you the list. All books purchased result in free books for the school, however there is no obligation to buy and for that reason we are not sending home the lists unless requested.

Kind Regards

Mrs Spiers
