11th December 2020

Dear Parents/Carers,

Following the late announcement from the DfE on Tuesday and the subsequent advice received from the Local Authority & after much thought I have decided that the school will stay open on Friday 18th December.

I do however understand that some families will want to take their children out of school in order for the whole family to complete a week of self- isolation before seeing Grand-parents on Christmas Day.

As Friday is the last day before the Christmas holidays children will partake in Christmas activities in the morning and will be watching a film in the afternoon. All Christmas crafts that the children have made will be sent home before Friday 18th December.

Please inform the school if your child/ren will not be attending on Friday 18th December in order to avoid a phone call home.

As a school community we have been very lucky in avoiding any Bubble or whole school closures. I continue to urge you to be extra vigilant as we approach the end of term, in order that we can all enjoy the Christmas break and spend it safely with our families and chosen Bubbles.

Best wishes

Helen Green
