

Dear Parents/Carers,

I would like to take this opportunity to thank all my staff for all their hard work since our return in September. Their vigilance and the extra measures we have in place, has meant that we have, as a whole school, managed to avoid any Bubble/School closures.

I would also like to thank you, the parents & carers for all your support in helping to keep our school community safe. Through working together we have been able to make school life as normal as possible and provide the children with a well- balanced curriculum. The children themselves have been absolutely fantastic and have adapted well to the new routines. During the last two terms we have seen pupils committed to their learning, with good progress being made and gaps being filled.

Please see attached an up to date information leaflet that now states only 10 days isolation if tested positive and not 14. On our school website you will find information on our home page regarding what you need to do to report a positive case in the Christmas holidays.

Have a fun time in a safe well managed environment.

I look forward to welcoming you all back in January.

Wishing you all a very **"Merry Christmas!"**

Take care

Helen Green
