

Dear Parents/Carers,

Many thanks for your continued support in your child's home learning. I appreciate it is a very difficult and challenging time for many of you who are juggling home schooling alongside your day jobs. The engagement of our pupils has been fantastic and I am pleased to tell you that we are almost at 100% every day for the live learning sessions – so please keep up the good work!

We have not yet received any definite decision from the government regarding whole school re-opening but we do know that this is currently not planned until at least March 8th. As soon as it's announced we as a school will be ready to welcome the children back with immediate effect.

Last Friday I started story time with KS2. I really enjoyed this and it was good to see so many of the children join this session. After half term I will also be doing a story time with RKS1- I look forward to that.

As we begin to move through February it is really nice to now be experiencing the lighter mornings and evenings, with some signs of Spring emerging. In order to improve our mental well-being it is important that we all get outside every day to take part in some exercise. Please see Mrs Gatehouse's email (of today's date) containing suggested mental health websites.

Reminder that there will be no live learning sessions next Friday (February 12th). This will also be the case going forward into term 4.

Have a restful weekend.

I look forward to seeing you all very soon. Take care.

Best wishes
