Dear Parents/ Carers,

As this term has progressed we are beginning to notice many of our children becoming very tired as they begin to develop their resilience back up. However, it continues to be great to have them all back and alongside the tiredness we have many happy children who are enjoying being back at school.

Please see below some polite reminders. All of these requests help make our school a happier and safer place.

1. Please ensure your child brings a filled water bottle to school every day.
2. Please ensure your child has the correct footwear for school PE sessions ie trainers/daps
3. Please ensure your child arrives at the correct staggered start time.
4. Drive around the area outside the school with a great deal of care. The end of the day can be very busy. When driving off make sure your speed is very slow and do not use the front of the school as a turning circle.
5. When you have collected your child leave immediately in order to avoid adults and children congregating outside the school.

Next week on Wednesday 30th March we will be having an Easter Egg hunt for each individual Bubble. Children will be finding out about the Easter story and will then come together on the playground to share the work they have completed about Easter, with Bubbles being kept separate.

Best wishes
