

Dear Parents and Carers,

It has been a busy term but a very happy one seeing the return of the whole school. Today the whole school came together to celebrate Easter. The children were kept separated in their Bubbles on the school playground. They shared paintings, songs and prayers. It was lovely to have the whole school together for this very important celebration. We all look forward to the day when you can all join us for these events.

As a school we have been very lucky in that we have continued to have had no confirmed cases within school and therefore there hasn't been the need for any Bubble closures. Please continue to follow the latest government guidelines during the school holidays in order that we can all return safely on Monday 19th April.

Please see below an amendment to the attached letter regarding Lateral Flow Testing.

*Please note there has been a **change in the opening time** for LFD collection at 3 local test sites, to allow for deep cleaning over the lunch period. The obvious concern is that you may turn up to collect household LFD tests when the site is still running its service for symptomatic testing. **To confirm: local test sites at Cleve RFC, Yate Shopping Centre and BAWA will run PCR testing for people with symptoms from 8am – 1.30pm and household LFD distribution from 2.30pm – 8pm (not 1pm as stated in the letter).***

I would like to take this opportunity to thank you all for your continued support during what has been a very strange and challenging year for all.

Wishing you all a very "HAPPY EASTER!"

Best wishes

Helen Green
