

Dear Parents/Carers,

I hope you all had a really lovely half term break? It was so nice to finally see the sun!

As restrictions are gradually being lifted I have now decided that during lunchtime the children are able to mix Bubbles. They are still being encouraged to keep a distance away from those not in their Bubble but they are now allowed to have access to the whole field, altogether at the same time. This was met with great excitement when I announced it to them yesterday!

As usual term 6 is always a very busy one with lots going on especially for our Yr5/6 pupils.

A reminder of some very important dates:

Monday 14th June – Sponsored marathon (happening over 2 weeks). Your child will be bringing home a sponsorship form and letter explaining about this event. Please support your child and us with this event.

Monday 28th June – Yr5/6 go to Kilve Court for their 3 day residential trip.

Wednesday 7th July – Yr5/6 perform their end of year production to parents. It has now been decided that this will take place on the school field at 4pm in order for social distancing to happen. More details will be provided nearer to the time. There will be a limit of 2 adults per family. Younger siblings will be able to attend with everyone sitting with their family Bubble.

Tuesday 13th July – Sports day on the school field. There will be a limit of 2 adults for each family.

Monday 19th July - Leavers' service at 11.30am

Wednesday 21st July – Inset Day

Kind regards

Helen Green

Warm weather

Happily we are experiencing some lovely weather at the moment but it does mean that we need to remind you of a few things:

Sun cream should be applied before coming to school; sun cream can be brought into school as long as it's labelled and the child can apply the cream by themselves.

Please also send in a filled water bottle daily (water only please) & a sunhat.

SIMS Pay

As you are aware we have been using an on-line payment system called SIMS Pay for some time now, however we have decided to move to another system in school which will hopefully be a bit more user friendly. The new system is called Arbor & we are currently in the process of setting this up. The new system will incorporate online payments, communications via text & email using a parental portal & of course the information management we use in school.

Please bear with us as we set this up & you will hopefully all receive log-in details shortly.
